About the Property

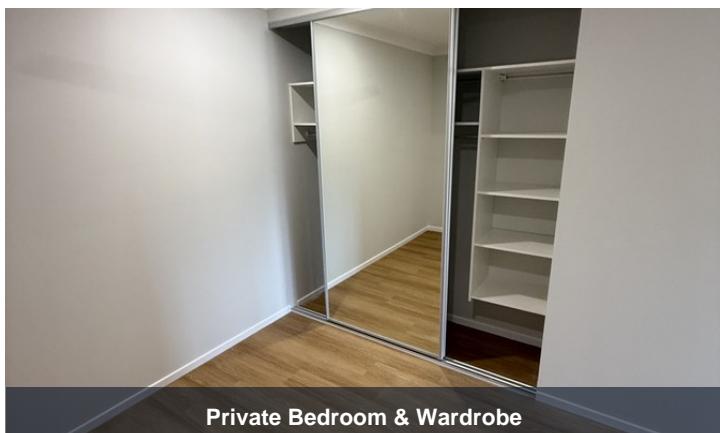

This is a modern, purpose-built complex featuring 5 brand new, self-contained units — ideal for participants seeking stability, privacy, and flexible support. Parcare Lifestyle will manage the entire complex, including all Parcare Lifestyle supports. We cater to any support model. Participants choose 1:1 or shared supports, tailored to individual needs, preferences, and goals.

Each Private Unit Includes:

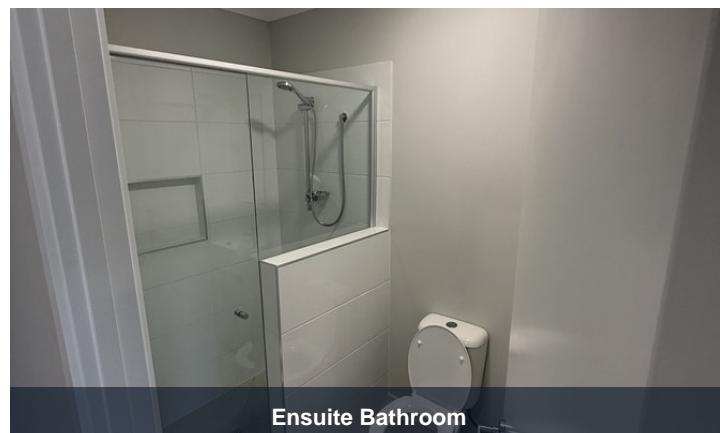

- Private bedroom with quality furnishings
- Ensuite bathroom
- Personal living space with kitchenette
- Individual split-system air conditioning
- Designed for privacy, comfort & independence

Shared Facilities & Premium Features:

- Fully equipped shared kitchen (oven, cooktop, rangehood)
- On-site laundry facilities
- Landscaped outdoor areas
- Solar system for energy efficiency
- Blinds fitted to all windows
- Internal wall sound insulation
- High-quality furniture & modern decor
